ABSTRACT

The directory of resident camps is designed for persons with special health needs (children and adults with physical, mental, social, or emotional handicaps). Published by the National Easter Seal Society for Crippled Children and Adults, the listing contains residential facilities only (day care camp program information is not included). Listed by state, the information includes the name of the camp, location, handicap eligibility, age range and capacity, nature of sessions, camperships available, sponsor, and descriptions of various services. FOREWORD

The National Easter Seal Society for Crippled Children and Adults publishes this DIRECTORY OF RESIDENT CAMPS FOR PERSONS WITH SPECIAL HEALTH NEEDS as an aid to all persons concerned with or seeking information about camping for individuals with special health problems. This Directory includes only those residential camps which identify themselves as serving children and adults with physical, mental, social, and/or emotional handicaps, or those camps which report that they have specifically adapted their programs to accommodate persons with disabilities.

Previous editions, titled the DIRECTORY OF CAMPS FOR THE HANDICAPPED, listed day camp programs as well as resident camps. The listing of day camps was discontinued as it was found that day camps tend to fluctuate in schedules and sites to a much greater extent from year to year than do residential programs. Persons seeking to identify day camps in their area should contact their local Information, Referral, and Follow-up Service; Recreation Department or Commission; Board of Education; or related public or private agencies for information on existing or planned day camp programs in specific areas.

Disabling conditions are classified and listed in the Index under the following headings: Cardiac Disorders; Cerebral Palsy; Diabetes; Emotional Disturbances; Epilepsy; Mental Retardation; Organic Brain Damage; Physical Disabilities, Unspecified; Respiratory Diseases; Speech and/or Hearing; and Visual Impairments. Several of these categories include related disabilities; i.e., "Organic Brain Damage" includes perceptual handicaps and learning disabilities. In some instances where the type of disability was stated very broadly, such as "All Physical Disabilities," editorial license was exercised and those camps were indexed under "Physical Disabilities, Unspecified." Camps which listed orthopedic or neurological handicaps were also arbitrarily placed in the Index category of "Physical Disabilities, Unspecified." This license was exercised in the Index only, however, and each individual camp description states the specific disabilities accepted, as submitted to the editor.

The "E" sign before the name of a camp indicates that the camp is either owned, operated, or in some degree supported by the Easter Seal Society.

THE INCLUSION OF A CAMP IN THE DIRECTORY DOES NOT IMPLY APPROVAL, AND THE OMISSION OF A CAMP DOES NOT IMPLY DISAPPROVAL. IT IS RECOMMENDED THAT DECISIONS AS TO THE APPROPRIATENESS OF FACILITIES, STAFF AND PROGRAM IN ANY INSTANCE BE MADE INDIVIDUALLY AND ON THE BASIS OF PERSONAL CONTACT OR CORRESPONDENCE WITH THE LISTED SPONSORING AGENCY.

IT IS FURTHER RECOMMENDED THAT THE SELECTION OF A SPECIFIC CAMPING PROGRAM TAKE INTO CONSIDERATION WHETHER THE CAMP HAS BEEN ACCREDITED BY THE AMERICAN CAMPING ASSOCIATION. INQUIRIES REGARDING CURRENT ACA ACCREDITATION OF ANY CAMP SHOULD BE MADE DIRECTLY TO THE LISTED SPONSORING AGENCY.

ALABAMA

Impairments:		Diabetes
Name and Location:		CAMP SEALE HARRIS, Citronelle, Alabama 36522
Age Range:		One 2-week session
Sessions:		100
Capacity:		Contributions; no camper denied due to inability to pay
